

# Dimensions

## Standard Unit Dimensions

Typical ranges for height and width.

## Custom Opportunity

Product dimensions can be manipulated in order to fit your design aesthetic and site conditions.

## Standard Unit Thicknesses

Thickness is dependent on material layer selection.

## Product Details

## Installation Options\*

All products and installation methods can be **customized** to meet the unique requirements of your space.

### Adhesive Direct Advantages

Attachment solution using an adhesive to apply directly to an existing surface or substrate.

- + Fastest installation time
- + No gap between target surface and product
- + Lowest profile installation option
- + Easiest to install
- + Most versatile installation option

Available methods: Construction Adhesive, Peel & Stick, Custom

\*Not all listed attachment methods may be applicable to this product.

## Material Layers

### PoshFelt®

100% organic, natural wool design felt brings out the best experience in your space with color, comfort, and simple sustainability.

**Single Layer**
